Gary:

Understood. We have been and will continue to monitor the hours with Lonestar Ecology LLC. I will discuss with them to provide more details with the invoicing.

Leroy:

Attached is the 1900-55. There is a pretty good spread on the transportation hours (3.75 to 5.75). The 5.75 in my opinion is way out there. Was there a comment as to why it took so long for the 5.75 hour trip? I need you to be monitoring this closely and getting explanations for times outside the norm. I would hope that Lonestar would be checking this and providing an explanation since it is their contracted truck drivers.

Thanks
